

Welcome to 2009 **Music SHOWCASE Festivals** - exciting programs for High School, Junior High, Middle School, and Elementary School Choirs, Orchestras, Concert Bands, Jazz Ensembles, and Parade Bands. Click the links to see the entire brochure or just the dates, prices, or register on line for 2009.

Your group will have the opportunity to perform before a panel of outstanding adjudicators whose comments will prove educational to both young and experienced music groups. Students benefit not only from the excitement of competitive performance, but also from the opportunity to enjoy an unforgettable day at one of North America's greatest theme parks.

Music SHOWCASE Festivals is a division of MUSIC TOURS UNLIMITED, INC. The program provides a high quality festival but with a different format than our **MUSIC FESTIVALS** program. For example, two adjudicators are provided, and there is no clinic. Upon receipt of your application, a Director's Guide will be sent to you which will provide pertinent details concerning the festival program.

We realize that you have a wide selection of festivals to choose from, but we are confident that you will not find a festival of higher quality than **Music SHOWCASE Festivals**.

Bus Company: The Dynamic Tour Company was selected from the approved Brevard County School list of approved bus companies (attached)

All instrumental music students have had the opportunity to raise money to pay for the DC trip. Students have received 100% profit on the fundraising activities.

All students planning on participating on the trip are academically eligible for the trip.
