

SUSPENSION OF BUS RIDING/TRANSPORTATION PRIVILEGES

Students on a bus or other authorized School Board transportation vehicles are under the authority of and directly responsible to the bus/vehicle driver. The driver has the authority to enforce the established regulations for bus/vehicle conduct. Disorderly conduct or refusal to submit to the authority of the driver will be sufficient reason for refusing transportation service to any student.

A student may be suspended from school bus/vehicle riding privileges for all or part of a school year for any violation of established regulations for bus conduct and/or for conduct occurring on the bus/vehicle in violation of the Student Code of Conduct/Student Discipline Code.

Before a suspension from bus/vehicle riding privileges is imposed, the Superintendent or other designated District personnel will provide a student with notice of an intended suspension and an opportunity to appear before the Superintendent or other designated District personnel. Disciplinary suspension periods will be commensurate with the infraction(s) committed as determined by the Superintendent or designated District personnel.

Any additional procedures regarding conduct on school buses/vehicles, as well as general information about the school transportation program, will be made available to all parents and students and posted in a central location.

**(Note: This policy must be posted in a central location in each school building and made available to students upon request in order to be effective, i.e. to take advantage of the ability to suspend students from bus privileges for more than ten (10) days without the full panoply of rights otherwise available under \_\_\_\_\_. Furthermore, this policy and any procedures should be incorporated into student handbooks.)**
