NEW POLICY - SPEC. REL. - SCHOOL SAFETY (JUNE, 2018)

8406 - REPORTS OF SUSPICIOUS ACTIVITY AND POTENTIAL THREATS TO SCHOOLS

It is vitally important that local public safety agencies and school officials be made aware of potential threats to schools as quickly as possible. All employees shall, and students and members of the community are strongly encouraged, to promptly make reports concerning unsafe, potentially harmful, dangerous, violent, or criminal activities, or the threat of these activities, to local public safety agencies and/or school officials. The following is a non-exhaustive list of mechanisms to disclose such information by:

A. contacting local law enforcement agencies, including ______________________;
B. utilizing the Florida Department of Education's mobile suspicious reporting tool ("FortifyFL");
C. contacting the District’s School Safety Specialist as follows:
   1. in person at ________________;
   2. via-telephone at ________________;
   3. via-email at ________________;
D. calling 9-1-1.

In addition, employees must also report unsafe, potentially harmful, dangerous, violent, or criminal activities, or the threat of these activities, to the Superintendent.

The identity of the reporting party and any other information received by school officials through the Florida Department of Education's mobile suspicious reporting tool is confidential and exempt under Florida’s Public Records Act.

8406 - REPORTS OF SUSPICIOUS ACTIVITY AND POTENTIAL THREATS TO SCHOOLS, FACILITIES, STUDENTS, AND EMPLOYEES

1. It is vitally important that local public safety agencies and school officials be made aware of potential threats to schools, students, and employees as quickly as possible. All employees shall, and students and members of the community are strongly encouraged to, promptly make reports concerning unsafe, potentially harmful, dangerous, violent, or criminal activities, or the threat of these activities, to local public safety agencies and/or school officials. The following is a non-exhaustive list of mechanisms to disclose such information by:

   A. contacting the appropriate local law enforcement agencies with jurisdiction, including school administration when appropriate;
   B. utilizing the mobile suspicious activity reporting tool made available to students and employees (this method is NOT to be used for immediate threats);
   C. calling 9-1-1 when the threat is immediate.

2. In addition, employees must also report unsafe, potentially harmful, dangerous, violent, or criminal activities, or the threat of these activities, to the Office of District and School Security in accordance with each facility’s School Emergency Operation Plan (SEOP) when appropriate. If the report is made to administration, the administration will determine which method of notification to schools, students, employees, and the public will be made.

3. The identity of the reporting party and any other information received by school officials through the mobile suspicious activity reporting tool is confidential and exempt under Florida’s Public Records Act.

4. Paragraph 1 – 3 above applies to all schools and other facilities and vehicles owned and operated by the Board.
