#### WEST:

Go north along the Brevard County line to Start.

Note: Edgewood and West Shore are secondary Schools of Choice that do not have attendance areas. Edgewood is open for application to all 7-12 students living north of the Pineda Causeway and Wickham Road as described above, but selection will be done by lottery once the school reaches its permanent capacity limit.

---

Reason for change: With the construction and opening of Viera High, the high school boundaries and feeder chains have changed since this board item was approved. This change moves the boundary on Merritt Island from a subdivision property line to the more geographically prominent Pineda Causeway.

Students affected:  
None.

---

The existing boundary between these two schools of choice was established by Board Item F-2 approved at the September 24, 2002 Board meeting:

An equitable option is to set the boundary utilizing existing High Schools and their feeder chain Middle Schools' attendance areas. Therefore the boundaries would be as follows:

Students residing in the following High Schools and their feeder Middle Schools' attendance areas would attend West Shore Jr./Sr. High School of Choice:

Bayside H. S.	Melbourne H. S.	Palm Bay H. S.
Eau Gallie H. S.	Satellite H. S.	

Students residing in the following High Schools and their feeder Middle Schools' attendance areas would attend Edgewood Jr./Sr. High School of Choice:

Astronaut H. S.	Titusville H. S.	Space Coast Jr./Sr. H. S.
Merritt Island H. S.	Cocoa H. S.	Cocoa Beach Jr./Sr. H. S.
Rockledge H. S.		

Guidelines would provide for students enrolled at West Shore on August 8, 2002, who reside in the new Edgewood attendance area to either remain at West Shore or transfer to Edgewood. The one-time transfer option becomes available at the time the students (sic) grade first becomes available at Edgewood.
