Coaching and Mentoring

Make the most of your time — Move coaching and mentoring processes online with powerful tools for setting up, managing and monitoring educator mentoring programs and relationships.

The Truenorthlogic system streamlines coaching and mentoring programs resulting in:

- Ability to spend more time on communications and coaching, less time on paperwork.
- Easy access for the mentor to suggest learning activities and review goals aligned with professional development.
- Efficiently recording mentor/mentee hours, along with processing mentor payment requests.
- Visibility to reports that measure educator effectiveness.

“Since we have implemented the Truenorthlogic coaching/mentoring component, we now have insight into the topics and standards our mentors are discussing with our novice teachers. This critical data assists us with program improvement and allows us to look for patterns and trends across our entire district.”

Dr. Terri Breeden, Assistant Superintendent, Professional Learning and Accountability, Fairfax County Public Schools (VA)
