BPS agrees it shall comply with all applicable laws, codes, ordinances, permitting, and regulations in connection with the Services to be provided hereunder.

28. **SEVERABILITY.** If any terms or provision of this Agreement, or the application thereof to any person or circumstances shall, to any extent, be held invalid or unenforceable, such term or provision shall be stricken and deemed unenforceable and every other term and provision of this Agreement shall be deemed valid and enforceable to the extent permitted by law.

29. **NAMES; TRADEMARKS.** Contractor shall acquire no rights under the Agreement to, and shall not use, the name of The School Board of Brevard County, Florida or the name of "Brevard County Schools" or “BPS” either alone or in conjunction with or as part of any other name, word, mark, picture, logo, design, and/or trademark (collectively, “BPS Marks”) in any of Contractor’s advertising, publicity, or promotion; to express or imply any endorsement by BPS or Brevard County Schools of its Services; or in any other manner (whether or not similar to the uses hereinabove specifically prohibited) without the prior review and written approval by BPS, except as expressly permitted herein. No advertisement, publication, or other use of BPS Marks shall be published or otherwise promulgated by Contractor without BPS’s prior inspection and written approval. This clause shall survive the expiration or sooner termination of this Agreement.

30. **COPYRIGHTS.** Contractor is hereby notified that the federal awarding agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for federal government purposes: the copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and, any rights of copyright to which a grantee, subgrantee, or a Contractor purchases ownership with grant support. Furthermore, the Parties agree that BPS has the right to make copies through in-house printer or other non-commercial means, of any materials, whether in tangible or electronic means or media, that are delivered under the provisions of this Agreement for use within BPS for purposes related to BPS business, operations, the delivery of the educational program, or to comply with the requirements of law, rule, policy, or regulation.

31. **PROTECTION AND HANDLING OF DATA.**

31.1. **Data Confidentiality.** Contractor shall implement appropriate measures designed to ensure the confidentiality and security of Protected Information, protect against any anticipated hazards or threats to the integrity or security of such information, protect against unauthorized access or disclosure of information, and prevent any other action that could result in substantial harm to BPS or an individual identified with the data or information in Contractor's custody.

31.2. **Compliance with Laws and BPS Policies and Procedures.** Contractor will not knowingly permit any Contractor's personnel to have access to any BPS facility or any records or data of BPS if the person has been convicted of a crime in connection with (1) a dishonest act, breach of trust, or money laundering,
or has agreed to enter into a pretrial diversion or similar program in connection with a prosecution for such offense, as described in Section 19 of the Federal Deposit Insurance Act, 12 U.S.C. §1829(a); or (2) a felony. Contractor must, to the extent permitted by law, conduct a check of public records in all of the employee’s states of residence and employment for at least the last five (5) years in order to verify the above. Contractor shall assure that all contracts with subcontractors impose these obligations on the subcontractors and shall monitor the subcontractors’ compliance with such obligations.

31.3. FERPA. To the extent Services provided hereunder pertain to the access to student information, Contractor shall adhere to all standards included in Sections 1002.22 and 1002.221, F.S. (the Protection of Pupil Privacy Acts), 20 U.S.C. §1232g - the Family Educational Rights and Privacy Act (FERPA), the federal regulations issued pursuant thereto (34 CFR Part 99), and/or any other applicable state or federal law or regulation regarding the confidentiality of student information and records. Further, Contractor, and its officers, employees, agents, and representatives, shall fully indemnify and hold BPS harmless for any violation of this provision including, but not limited to, defending BPS and its officers, employees, agents, and representatives against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon BPS, or payment of any and all costs, damages, judgments, or losses incurred by or imposed upon BPS arising out of the breach of this provision by Contractor, its officers, employees, agents, or representatives, to the extent that the Contractor, or its officers, employees, agents, or representatives, shall either intentionally or negligently violate this provision, Sections 1002.22 and 1002.221, F.S., or other applicable state, local, or federal laws, rules, or regulations. This provision shall survive the termination or completion of all performance obligations under this Agreement, and shall remain fully binding upon Contractor. A separate Non-Disclosure Agreement may be required.

31.4. HIPAA, CIPA, and GLBA. Contractor also agrees to comply with all applicable state and federal laws, regulations, and BPS policies including Privacy Rights of Students, Computer Users’ Responsibilities, Security of Computing Resources, Security of Data, Privacy of Computing Resources, Health Information Privacy and Accountability Act (HIPAA), Children Internet Protection Act (CIPA), and the Gramm-Leach-Bliley Act (GLBA).

31.5. Data Security. Contractor agrees to protect and maintain the security of data with protection security measures that include maintaining secure environments that are patched and up to date with all appropriate security updates as designated by a relevant authority (e.g. Microsoft notifications, etc.). Likewise, BPS agrees to conform to the following measures to protect and secure data:

31.5.1. Data Transmission. Contractor agrees that any and all transmission or exchange of system application data with BPS and/or any other parties shall take place via secure means, e.g. HTTPS, FTPS, SFTP, or equivalent.

31.5.2. Data Storage and Backup. Contractor agrees that any and all BPS data will be stored, processed, and maintained solely on designated servers and that no BPS data at any time will be processed on or transferred to any portable or laptop computing device or any portable storage medium, unless that storage medium is in use as part of Contractor’s designated backup and recovery processes. All servers, storage, backups, and network paths utilized in the delivery of the service shall be contained within the states, districts, and territories of the United States unless specifically agreed to in writing by BPS with designated data, security, or signature authority. An appropriate officer with the necessary authority can be identified by BPS for any general or specific case.

31.5.3. Contractor agrees to store all BPS backup data stored as part of its backup and recovery processes in encrypted form, using no less than 128 bit key.

31.5.4. Data Re-Use. Contractor agrees that any and all data exchanged shall be used expressly and solely for the purposes enumerated in this Agreement. Data shall not be distributed, repurposed, or shared across other applications, environments, or business units of Contractor. As required by Federal law, Contractor further agrees that no BPS data of any kind shall be revealed, transmitted, exchanged, or otherwise passed to other contractors or interested parties except on a case-by-case basis as specifically agreed to in writing by an BPS officer with designated data, security, or signature authority.
31.6. **End of Agreement Data Handling.** Contractor agrees that upon termination of this Agreement it shall return all data to BPS in a useable electronic form, and erase, destroy, and render unreadable all BPS data in its entirety in a manner that prevents its physical reconstruction through the use of commonly available file restoration utilities, and certify in writing that these actions have been completed within thirty (30) days of the termination of this Agreement or within seven (7) days of the request of an agent of BPS, whichever shall come first.

31.7. **Data Breach.** Contractor agrees to comply with the State of Florida Database Breach Notification process and all applicable laws, including, but not limited to, Section 501.171, F.S., that require the notification of individuals in the event of unauthorized release of personally identifiable information or other event requiring notification. In the event of a breach of any of Contractor’s security obligations or other event requiring notification under applicable law (“Notification Event”), Contractor agrees to notify BPS immediately and assume responsibility for informing all such individuals in accordance with the applicable law and to indemnify, hold harmless, and defend BPS, its board members, employees, and representatives from and against any claims, damages, or other harm related to such Notification Event.

31.8. **Mandatory Disclosure of Protected Information.** If Contractor becomes compelled by law or regulation (including securities laws) to disclose any Protected Information, Contractor will provide BPS with prompt written notice so that BPS may seek an appropriate protective order or other remedy. If a remedy acceptable to BPS is not obtained by the date that Contractor must comply with the request, Contractor will furnish only that portion of the Protected Information that it is legally required to furnish, and Contractor shall require any recipient of the Protected Information to exercise commercially reasonable efforts to keep the Protected Information confidential.

31.9. **Remedies for Disclosure of Confidential Information.** Contractor and BPS acknowledge that unauthorized disclosure or use of the Protected Information may irreparably damage BPS in such a way that adequate compensation could not be obtained from damages in an action at law. Accordingly, the actual or threatened unauthorized disclosure or use of any Protected Information shall give BPS the right to seek injunctive relief restraining such unauthorized disclosure or use, in addition to any other remedy otherwise available (including reasonable attorneys' fees). Contractor hereby waives the posting of a bond with respect to any action for injunctive relief. Contractor further grants BPS the right, but not the obligation, to enforce these provisions in Contractor's name against any of Contractor's employees, officers, board members, owners, representatives, agents, contractors, and subcontractors violating the above provisions.

31.10. **Safekeeping and Security.** As part of the Services, Contractor will be responsible for safekeeping all keys, access codes, combinations, access cards, personal identification numbers, passwords, and similar security codes and identifiers issued to Contractor's employees, agents, or subcontractors. Contractor agrees to require its employees to promptly report a lost or stolen access device or information.

31.11. **Non-Disclosure.** Contractor is permitted to disclose Confidential Information to its employees, authorized subcontractors, agents, consultants, and auditors on a need to know basis only, provided that all such subcontractors, agents, consultants, and auditors have written confidentiality obligations to Contractor and BPS.

31.12. **Request for Additional Protection.** From time to time, BPS may reasonably request that Contractor protect the confidentiality of certain Protected Information in particular ways to ensure that confidentiality is maintained. Contractor has the right to reasonably decline BPS's request.

32. **NON-EXCLUSIVE AGREEMENT.** The Parties understand and agree this Agreement is a non-exclusive agreement and the Parties hereto may participate in other comparable services to and from any other person or entity.

33. **ENTIRETY OF AGREEMENT.** BPS and Contractor agree that this Agreement and any documents made a part thereof, sets forth the entire agreement between the Parties, that there are no promises or understandings other than those stated herein. None of the provisions, terms, and conditions contained in this Agreement may be added to, modified, superseded, or otherwise altered, except by written instrument executed by the Parties hereto.
34. **CONSTRUCTION OF AGREEMENT.** Each Party has participated in negotiating and drafting this Agreement, so if an ambiguity or a question of intent or interpretation arises, this Agreement is to be construed as if the Parties had drafted it jointly, as opposed to being construed against a Party because it was responsible for drafting one or more provisions of this Agreement.

35. **OTHER CONDITIONS.**

35.1. **Legal Authority.** It is understood that those signing this Agreement have the legal authority to enter into binding Agreements.

35.2. **Terms and Conditions.** This Agreement contains all the terms and conditions agreed upon by the Parties. Items incorporated by reference are physically attached hereto. No other Agreements, oral or otherwise, regarding the subject matter of this Agreement, shall be deemed to exist or to bind the Parties hereto.

35.3. **License and Permits.** Contractor shall obtain and possess throughout the term of this Agreement all licenses and permits required for its operations under Federal, Florida, and local laws and shall comply with all fire, health, and other applicable regulatory codes.

35.4. **Location.** All Services shall be performed and located in appropriate settings that are convenient, safe, clean, and well-maintained.

35.5. **Access.** BPS agrees to provide full accessibility to property owned or leased by BPS for Contractor’s employees to perform Services as agreed upon herein. For software support, BPS agrees to allow for secure, remote access to the system via internet-based tools such as WebEx or PCAnywhere or as outlined and agreed upon herein.

35.6. **Covenant Not-to-Hire.** Each Party agrees not to hire or attempt to hire employees of the other Party during the term and for a period of one (1) year after the term (including any renewal term) of this Agreement, without the express written consent of the other Party.

35.7. **Public Entity Crime.** Pursuant to Section 287.133, F.S., the following restrictions are placed on the ability of persons convicted of public entity crimes to transact business with BPS: when a person or affiliate has been placed on the convicted vendor list following a conviction for a public entity crime, it may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, F.S., for CATEGORY TWO for a period of thirty-six (36) months following the date of being placed on the convicted contractor list.

36. **DEBARMENT.** By signing this Agreement, Contractor certifies, to the best of its knowledge and belief, that it and its principals:

36.1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by a federal department or agency.

36.2. Have not, within the preceding five (5) year period, been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property.

36.3. Are not presently indicted or otherwise criminally charged by a governmental entity (federal, state or local) with commission of any of the offenses enumerated in the preceding paragraph.
36.4. Have not within the preceding five (5) year period had one (1) or more public transactions (federal, state, or local) terminated for cause or default.

36.5. Contractor agrees to notify BPS within thirty (30) days after the occurrence of any of the events, actions, debarments, proposals, declarations, exclusions, convictions, judgments, indictments, informations, or terminations as described above, with respect to Contractor or its principals.

37. NON-WAIVER. The failure of either Party to exercise or delay in exercising any right, power, or privilege provided for hereunder shall not be deemed a waiver thereof; nor shall any single or partial exercise of any such right, power, or privilege preclude any other or further exercise thereof, or the exercise of any other right, power, or privilege under this Agreement. No Party shall be deemed to have waived a right, power, or privilege provided for herein, unless such waiver is in writing and signed by the waiving Party. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable.

38. FORCE MAJEURE. Except as otherwise provided herein, none of the Parties shall be obligated to perform, and no Party shall be deemed to be in default of its performance, if prevented by: (a) fire, earthquake, hurricane, wind, flood, act of God, riot, or civil commotion; (b) any law, ordinance, rule, regulation, or order of any public or military authority stemming from the existence of economic or energy controls, hostilities, war, or governmental law and regulation; or (c) labor dispute that results in a strike or work stoppage affecting the performance of this Agreement.
