SCHOOL SOCIAL WORKER

JOB OVERVIEW

DIVISION: School Services
DEPARTMENT: Students at Risk

SUMMARY/SCOPE/GOAL:
Assist students, parents, and school staff identify social, emotional, behavioral, and physical needs that interfere with student learning and assist in addressing these barriers to enhance student success and maximize educational opportunities for all students.

QUALIFICATIONS

EDUCATION AND RELEVANT EXPERIENCE REQUIREMENTS:
- BSW from a regionally accredited institution required. BSW/MSW in Social Work (School Social Work or Social Welfare tracks) from a program accredited by the National Council on Social Work Education preferred.
- Three (3) years relevant work experience required. Three (3) years relevant work experience encompassing familiarity with youth counseling, social services coordination and referrals, and brief counseling interventions is preferred.

CERTIFICATIONS AND LICENSES:
- Certified or eligible for certification in school social work as designated by FLDOE 6a-4.035 or Licensed Clinical Social Worker by the Florida Department of Health, Division 64b4: Board of Clinical Social Work, Marriage and Family Therapy and Mental Health Counseling (effective for school year 2019-20 as implemented by the FLDOE.)

PERFORMANCE RESPONSIBILITIES

ESSENTIAL FUNCTIONS:
The tasks/competencies listed below represent most of the time spent working in this position. Supervisor may assign additional tasks within the scope of this classification as necessary.

1. Engage in appropriate assessment activities that result in the identification of the special needs of individual students to include interviews, observations and/or assessments.
2. Make home visits for the purpose of gathering helpful information on a student’s background.
3. Plan and conduct appropriate mental health interventions to include short term solution focused individual, group and family counseling services for students for the purpose of facilitating personal, social, emotional and academic growth.
4. Facilitate the monitoring of services, referrals, resources and other activities designed to improve the functioning of students and families. Maintain appropriate reports and record keeping procedures to document the above.
5. Collaborate with school personnel, parents, community agencies, and/or students to promote optimal learning outcomes for all students. Serve as liaison between the school and outside agencies.
6. Implement individual, group, or counseling and interventions that are scientifically proven to promote positive social, emotional, behavioral and independent functioning outcomes.
7. Partner with instructional, non-instructional and administrative personnel in their support of students who demonstrate aggressive behavior, self-injurious behavior, and/or high magnitude disruptive behavior.
7. Serve as liaison between home and school when follow-ups are necessary, e.g., welfare cases, foster home children and disadvantaged students.
8. Perform crisis intervention services as part of the Crisis Support Team and/or conduct short-term crisis counseling, staff support and parent education activities.
9. Assist school level personnel in supporting student attendance by managing truancy referrals that adhere to district’s procedure for truancy. Assist families in understanding the school and its program, including compulsory school attendance laws. Coordinate home, school and district interventions to manage and improve student attendance including CINS/FINS and court petitions.
10. Serve as a consultant and contribute specialized knowledge to interdisciplinary school-based teams in planning interventions on learning and adjustment problems of students. This may include school wide and district program development and planning.
11. Assist the schools in planning and providing parent involvement activities in which the expertise of the social worker would be of value such as leading parent education groups, staff development activities.
12. Provide support and assistance to graduate interns and newly hired School Social Workers.
13. Provide professional expertise regarding assessment, mental health, consultation, case management, parent involvement and staff development to address such special needs areas as child abuse, services for the homeless, teen pregnancy, cultural awareness and accessing community resources.
14. Maintain accurate and current Medicaid documentation if required.
15. Abide by the code of ethics established by the National Association of Social Workers (NASW) “Professional standard for Social Work Services in Schools”, and the standards of practice established by the School Social Work Association of American (SSWAA) and the Florida Association of School Social Workers (FASSW).
16. Perform and promote all activities in compliance with equal employment and non-discrimination policies of the School Board of Brevard County.
17. Participate successfully in the training programs offered to increase the individual’s skill and proficiency related to the assignments.
18. Review current developments, literature and technical sources of information related to job responsibility.
19. Ensure adherence to good safety procedures.

1. Participate on multidisciplinary teams to develop, implement and evaluate intervention plans for students who are experiencing social/emotional and/or behavioral difficulties.
2. Interview students and parents to explore issues related to non-attendance and develop a plan of action to address attendance and tardy concerns.
3. Engage in appropriate assessment activities to assist in the identification of needs of students, including special education needs.
4. Plan and conduct appropriate mental health interventions to include short-term solution focused individual, group, and family counseling services for students. Use evidenced-based counseling interventions to promote positive social, emotional, behavioral, and independent functioning outcomes.
5. Provide individual and group conferencing for students who are experiencing problems in school, at home and in their community. Emphasis on early identification and intervention.
6. Encourage and assist parents in securing community mental health, medical and social services to meet student and family needs.
7. Consult and collaborate with school staff, district based staff, and community agencies to assist students who have been displaced from their homes.
8. Support students in transition and foster care students.
10. Conduct home visits for the purposes of gathering helpful information on students’ backgrounds, providing parent education, providing referrals to community resources and assisting parents in understanding the challenges experienced by their children.
11. Support parents in identifying and meeting their children’s social and emotional needs.
12. Facilitate communication with school personnel.
13. Collaborate and consult with school personnel regarding the possible impact of various factors such as mental and physical health, culture, and socio-economic status on student performance.
14. Assist with the development of plans and interventions to address student concerns.
15. Assist schools in planning and providing parent involvement/engagement activities in which the School Social Worker would be of value, such as leading parent education groups or staff development activities.
16. Facilitate and monitor the involvement of community agencies and provide follow-up case management services to students and parents.
17. Provide resource information to school personnel.
18. Collaborate with instructional, non-instructional, and administrative personnel to support students who demonstrate at-risk behaviors, such as aggressiveness, self-injury, or disruption.
19. Share professional expertise regarding mental health, child abuse, teen pregnancy, cultural awareness, homelessness, and other barriers to education to assist in providing services to students and families.
20. Maintain ongoing liaisons between community agencies and other resources to meet student needs.
21. Review student records to identify previous barriers and/or interventions.
22. Serve on crisis intervention teams as needed.
23. Participate on district committees.
25. Maintain reports and records as appropriate, including Medicaid documentation if required.
26. Abide by the code of ethics established by the National Association of Social Workers (NASW), “Professional standard for Social Worker Services in Schools”, and the standards of practice established by the School Social Work Association of America (SSWAA), and the Florida Association of School Social Workers (FSSW).
27. Perform and promote all activities in compliance with equal employment and non-discrimination policies of The School Board of Brevard County, Florida.
28. Participate successfully in training programs offered to increase the individual’s skill and proficiency related to the assignment.
29. Review current developments, literature, and technical sources of information related to job responsibilities.
30. Ensure adherence to good safety procedures.
