To Whom It May Concern:

This is a cover letter for the attached application for the Melbourne High School Rowing Team to travel to compete at the Head of the South Regatta in Augusta, GA on November 10th, 2012.

The team has been traveling to Georgia annually for the past 16 years to race against some of the best programs in the southeast. With our goal of qualifying at Scholastic Nationals in the spring (something we have done every year since 2002), this race gives us a chance to race against crews we would not be able to face at other races in the fall, and enables us to keep our sights set high.

On top of the high level of competition we will see, there will also be colleges present which gives us a chance to present our student athletes to collegiate coaches. We have a history of Mel-Hi rowing alumni competing at the collegiate level, and this is one of the few times this year we will be competing at the same event as Division I, II, and III teams.

If you have any further questions please do not hesitate to contact me.

Sincerely,

Matt Kaminski
Director of Rowing, Melbourne HS.
